## *Claudia Straitiff*

If we could prevent even one unnecessary death, wouldn't we? Claudia's beautiful life ended too soon. We believe that if her insurance company would not have turned her down for the counseling program in which she was involved, maybe this tragedy would not have occurred. We have established the **Claudia Straitiff Memorial Fund** to help the **Westmont Family Counseling Ministries**, "a non-profit organization which provides professional counseling services and resources based on the values of caring and compassion to those seeking emotional and relational wholeness." *They do not turn anyone away, with or without insurance.* Their services are available primarily through contributions by people in the community. If you would like to read further about this organization, please go to their website, [www.westmontfcm.org](http://www.westmontfcm.org). With your help, we hope everyone in need of emotional and relational counseling will realize that they do indeed have options. Thank you!

*Thank you on behalf of Claudia's Family and Friends, and the Westmont Family Counseling Ministries.  
 We appreciate your support in keeping Claudia's memory alive and supporting services that can help others in need.  
 We believe that Claudia would have enjoyed combining a day of golf with a birthday dinner,  
 especially since she would have celebrated her 50th birthday this year. Join us in celebrating the 50th birthdays of all the  
 Class of 1980!*
